THURSDAY, AND FIFTY-SIX

ISSUE 24

FOR VARIETY, we believe we'll let some neighboring editors have charge of this column for this week . . .

H. M. BAGGARLY in the *Tulia Herald* has this to say:

With her prestige among the family of states already at an all-time low, about all Texas needs to confirm the fears of the rest of the sane world, which has had an eyebrow raised for the past 20 years, is just another dose of Pappy O'Daniel.

PAUL CRUME in his Big D column of the *Dallas Morning News*, relates:

Half a dozen salesmen for a national paint company were telling the other day about a trip their national sales manager had made to Texas. He wanted to make the rounds with a few of his representatives.

Out in West Texas, he started out with one of the men on a perfectly clear morning. A sand-storm blew up from nowhere, though, and in the bad visibility the salesman got off a high shoulder. The car rolled over gently in the barrow ditch and the two men got out unhurt.

"Well," said the salesman, "what do we now?"

"I don't know," said the sales manager, "but if I was back in the office I could tell you."

ROY J. CURTIS of The *Hamlin Herald* News remarks these remarks:

There was a Methodist preacher who went out of town to conduct a revival meeting, and he left his wife at home to keep the home fires burning and look after the kids and a few other chores.

In his first sermon in the revival meeting the preacher told the congregation, "I've come here for this two-week revival meeting and left my dear wife at home carrying on with the stewards."

GEORGE BAKER writes in *The Fort Stockton Pioneer* these words:

There is no doubt that the Dallas insurance man, once a flour salesman, is a master of psychology if not of politics. Every back by a political opponent is veiled in "persecution," and turns into political advantage.

What Texas voters need most all in the months ahead is a use of humor and detached viewpoint — to study candidates & their qualifications on the basis of fact and achievement rather than emotional appeal.

PECOS OMNIBUS column of *The Pecos Enterprise* makes these observations:

With the advent of spring, lawyers begin the hurried task of mending broken fences. Soon the will be cluttered with speeches the birds and bees take cover, nations and counter-accusations by politicos seeking election re-election. Smoke-filled caucuses will set policies, pick dates and roll the publicity campaign into full speed. Millions dollars will be collected and by political machines, and Texans will indulge in their favorite pastime, next to baseball, on election.

KINNS WELLS reports an event in his *Deck's* column of *The Welling-*

SECOND PRIZE WINNER of a trip around the world for two plus \$5,000 in cash in the Plymouth lucky motor number sweepstakes is Grady Flynt of Anson. Dave Prewit of the Prewit Motor Company of Stamford is shown making the presentation to Flynt. Others in the picture are Mrs. Flynt and children, Joy, Jack, Jill and Roy Leonard, nephew of Mrs. Flynt, who makes his home with the Flynts.

## Second Shots in All-Out Polio Immunization Set Saturday

### Some Serum for First Inoculations Also Still on Hand

### James D. Willeford To Lead in Church Of Christ Services

Second in the series of free polio inoculations for children and young people of the Hamlin community will be administered in a one-day campaign Saturday at the Primary School building, it was announced this week by Starr Inzer, who has been in charge of the drive to immunize children of the community against dreaded polio.

The first shot in the series was administered on March 17, when the response to the drive was disappointing to leaders of the project, Inzer said. Only 248 appeared in the inoculations.

However, it is pointed out that numerous parents already had had their children inoculated prior to that time.

In order to make the all-out campaign more effective, Inzer said that a supply of the first of the three-shot inoculations was again available, and those with children between the ages of six months and 21 years who had failed to get the first inoculation still could secure that immunization Saturday at the school. In the case of the first shot inoculations, their second shot will be administered.

PASTURES IMPROVED. Educational programs conducted last year by Texas county agents on pasture improvement added an estimated \$35,600,000 to the value of the pastures involved in demonstrations. The 5,058 demonstrators carried out improved practices on approximately 800,000 acres. Many permanent pastures also have been established.

### Hamlin Students Top All Other District Entries in Literary Events for League

Students of Hamlin High School walked away with the top spot in literary events of the Interscholastic League last week-end by scoring more points than the other four schools competing combined.

Based on a point system of five for first place, three for second and two for third, the ratings of the district teams were: Hamlin, 55; Rotan, 21; Colorado City, 15; Anson, eight; and Stamford, seven.

Shorthand—Clara Mae Whitley of Colorado City, first; Joy Cary of Hamlin, second; Marlene Crawford of Hamlin, third.

One-Act Play—Hamlin, first. Spelling—Ginger Means and Elizabeth Norton of Hamlin, first; Rayvel Moseley and Robert Aycock of Colorado City, second; Rouhlac Buckley and Jackie Mills of Stamford, third.

Senior Declamation: Girls—Barbara Aldridge of Rotan, first; Beth Adkins of Anson, second; Nellie Johnson of Hamlin, third; Judy Harden of Hamlin, fourth; boys—Jim Watson of Rotan, first; Bobby Beale of Hamlin, second.

Junior Declamation—Lynne B. Crump to Speak At Assembly of God

Special speaker for three services at the Assembly of God Church in Hamlin this week-end will be Rev. E. B. Crump of Waxahachie, according to announcement by Rev. W. G. Miller, pastor.

Formerly pastor of the Abbie Baptist Church, he will speak Friday evening and Sunday morning and evening. The public is invited to hear the visitor.

Junior Declamation—Lynne B. Crump to Speak At Assembly of God

TESTIFY AT TRIAL—Governor Allan Shivers and Attorney General John Ben Sheppard wait at district court in Crystal City, where they were called to testify in the trial of J. Paul Little, accused of offering to bribe Bascom Giles, former head of the Veterans Land Board.

## \$60,000 Wing Expansion Scheduled for Hospital

### Pre-School Groups Invited to Visit Classes Tuesday

Pre-school visitation day for youngsters of the Hamlin Consolidated Independent School District has been set for next Tuesday, April 17, according to Superintendent C. F. Cook.

All children who will be in the first grade next year are invited to visit the new Primary School during the hours from 9:00 a. m. until 1:00 p. m., along with their mothers.

A short program will be conducted in the cafeteria after registration of pupils, with Mrs. Starr Inzer, president of the Hamlin Elementary Parent-Teacher Association, in charge. A film, "Skippy Learns the Three Rs," will be shown. Musical numbers will be presented by students under the direction of Carolyn McCleny, choral music director.

The children will need to bring 30 cents in order to eat in the school cafeteria, and bring their birth certificates in order to be registered for next year, Cook explains.

### Mrs. A. A. Hackley Made TB Unit Director

Mrs. A. A. Hackley of Hamlin was one of 12 new members elected last Friday to the board of directors of the Texas Tuberculosis Association at its forty-sixth annual meeting at Midland. Each of the new members will represent his or her own county association for a one-year term on the state board.

Johnny Ammons of Roby was a new director from Fisher County, and Walter B. Terrell of Sweetwater will represent Nolan County as a new director.

### Bill Cathy to Preach At First Baptist Church

Bill Cathy, president of the Life Service Band at Hardin-Simmons University in Abilene, will fill the pulpit at the First Baptist Church Sunday morning. He recently was elected president of the Texas Baptist Student Union.

Pastor Houston Walker will be at Rule First Baptist Church Sunday morning to preach the sermon for the fiftieth anniversary of that church, which he pastored for five years before coming to Hamlin. He will return to his pulpit for the evening service, he declares.

TOTALS for the 12 Sunday Schools Sunday were 1,412, compared with 1,622 for Easter Sunday and 1,363 a year ago.

Following are attendances by churches for April 1, April 8 and a year ago:

TORNADO DAMAGE—The broken shells of two buildings and the rubble of another bear mute testimony to the violence of a tornado that ripped through Bryan, causing heavy property damage. The twister damaged over 200 homes and narrowly missed Texas A. & M. College and the Bryan Air Force Base.

## Hamlin Youths Get 4-H Royalty Honors

Two Hamlin young people were honored Friday night at the annual 4-H Club Week share-the-fun festival as they were named King and Queen of the Jones County festival.

Local observance of National 4-H Club Week was held in the Anson High School auditorium. More than 300 persons attended the coronation of the 4-H King and Queen and were entertained with a share-the-fun festival. In all, 18 senior and junior acts competed for prizes in the fun festival.

A. H. Roberts and Beth Adkins of Anson alternated as masters of ceremonies.

Bob Murff, son of Mr. and Mrs. J. O. Murff of Hamlin, and Nina Jean, daughter of Mr. and Mrs. M. S. Jean of Hamlin, were crowned King and Queen.

Attendance at Sunday Schools Shows Gain Over Year-Ago Totals

While not quite reaching the total attendance record made on Easter Sunday, the 12 reporting churches had Sunday School attendance of 49 more than a year ago, tabulations by The Herald revealed.

Totals for the 12 Sunday Schools Sunday were 1,412, compared with 1,622 for Easter Sunday and 1,363 a year ago.

Following are attendances by churches for April 1, April 8 and a year ago:

### 14 Additions Result in Sunset Church Revival

Baptismal services for the spring revival which closed Sunday evening at the Sunset Baptist Church were conducted Sunday afternoon.

The two-week series of evangelistic services had been conducted by new pastor of the church, Rev. R. B. Tiner. He reported two conversions and 10 additions by letter during the revival.

Class booths will be in the gymnasium and cafeteria. Arranged

### Loan for Needed Funds Negotiated By Insurance Firm

Expansion of the Hamlin Memorial Hospital by almost one-half its present floor space is planned for the near future, it was announced Tuesday by W. L. Fletcher Jr., chairman of the board of the corporation owning the institution. Estimated cost of the addition has been set by architect at \$60,000.

The expansion would include a new east wing to the present structure, which would house a clinic for the doctors who have been leasing the hospital from the publicly-owned institution; plus consultation rooms and special rooms for maternity cases. At present the doctors' offices are located in the main section, east of the waiting room. These rooms would be converted into patient rooms and a nursery.

The new east wing would contain 5,282 square feet. An additional annex would be constructed north of the present kitchen, to house the hospital kitchen, and the present kitchen space would be converted into a dining room.

Fletcher stated that the doctors who have the plant leased have agreed to an increased lease for 15 years following completion of the proposed expansion.

A loan for the necessary funds has been tentatively arranged by the hospital board with the Jefferson Standard Life Insurance Company, which holds the present outstanding bonds of \$15,000.

Drafts of the proposed additions and alterations are now in the hands of architects for final revision, Fletcher said.

### Two Convicted Fast of Liquor Law Charges

Fast court action at Anson Monday resulted in the conviction and sentencing of two Hamlin men, both colored, on possession of liquor for sale.

Pete Goolsby was fined \$125 and costs, and Dee Davis was sentenced to 30 days in jail.

They were arrested Sunday morning by Police Chief Buddy Watson, Sheriff Dave Reves and Liquor Control Board Officer Cliff King. Twelve pints of wine, 3½ pints of gin, two pints of whiskey and two cases of beer were taken from the homes of the two men.

Davis has previously been convicted on liquor law violations in county court.

### Hamlin High Students Defy Friday 13th Bugaboo and Stage Annual Carnival

Friday, the 13th, holds no superstitions bugaboo for students of Hamlin High School. They have scheduled their annual High School Carnival in the high school gymnasium, cafeteria and auditorium.

Beginning at 6:30, the affair will charge admissions of 15 cents for students and 25 cents for adults.

Climax of the evening's fun and frivolity will be the naming of the School Queen and the princesses and escorts for the various classes.

Candidates from the high school classes are: Ann Cochran and LaVerne Wilson, senior; Mary Jo Hubbard and Don Aair, junior; Renee Moore and Joe Stephens, sophomore; and Mary Brown and Ed Shields, freshman.

The queen's coronation will be at 9:00 o'clock in the auditorium, it is announced.

### Who's New This Week

Two new citizens have been recorded at Hamlin Memorial Hospital since last report in The Herald. Both boys, they are:

A boy for Mr. and Mrs. D. Trevino arrived March 27 at 10:00 p. m. Weighing eight pounds four ounces, he was named Reuben.

A boy arrived for Mr. and Mrs. R. D. Clutter of Aspermont on March 31 at 2:00 p. m. After having his weight checked at eight pounds three ounces, he accepted the name Gregory Steven.

**FRIDAY, THE THIRTEENTH, FALLS IN APRIL, 1956**

Friday will be the 13th. By tradition it is a day of ill omen. The superstitious will be busy exorcizing ghosts, poltergeists, witches and assorted flying beasties. The rest of us will prudently invoke the protection of our personal trolls, leprechauns and good faeries to get us safely through the day. Not even the most hard-boiled cynic will be foolhardy enough to look cross-eyed at the quartering moon. Or — maybe you're more sensible. Maybe.

Did you never cross your fingers on a fib, or knock on wood to keep misfortune at arm's length? Do you say "Gesundheit" when Aunt Hattie sneezes? Naturally, you wouldn't walk under a ladder; that's not superstitious, that's just common sense. But how about the time you paid three bucks for that 10-cent bibelot at auction? And just last week you . . . well, none of us is perfect; we're all gullible in one way or another. Anyway, most superstitions are harmless enough—unless we let them run our lives. Or dictate our deaths.

Did you know, for instance that the American Cancer Society figures tens of thousands of Americans die each year before their time — victims of superstition or gullibility or

both? Instead of learning the facts, they rely on hand-me-down misinformation about this terrible disease which kills a quarter million of us yearly. In shame or fear they put off going to a doctor until too late. Then, when they cannot delay longer, they wind up in the hands of a quack practitioner instead of a reputable physician.

Don't let yourself or your loved ones be victimized by foolish superstitions and old wives' tales concerning cancer. In 43 years the American Cancer Society has learned the facts. They are available through your local ACS unit. Get them. Learn cancer's seven danger signals. And act on your knowledge. The ACS slogan for its current April crusade is: "Fight Cancer with a Checkup and a Check." Checkup means a visit to your family doctor or some other reputable physician—not a blacksmith, butcher or quack. If you don't know what a quack is, write the nearest ASC Information Center. They'll set you straight, and tell you whatever else you want to know. It's their job.

Incidentally, that's a pretty sensible slogan. A checkup and a check. The one-two punch. Let's all use it to strike at cancer before cancer strikes at us.

**Poverty Among Riches**

There is a story of an aged woman in Scotland who was living in dire need. She had been supported by the community, and had lived on charity for many years.

Her son, who had come to America many years before, had become very wealthy. The neighbors of the good old woman whispered among themselves, "Why has John failed to help his mother?" And then they would look askance at each other.

One day a kindly neighbor, knowing the circumstances, called on the mother and suggested that her son would surely help her if he knew of her need.

The aged mother, eager to defend her son, exclaimed, "Oh, John is so kind, but he needs all his money, and, you know, I do not really need it; John is a good boy. See?" and tears filled her eyes. "John writes me every week; he never fails. And they are the nicest letters—he sends a picture of everyone, and they are such strange, pretty pictures."

"Ah, have you saved them?" asked the neighbor.

"Oh, yes," replied the mother, as she took the old family Bible from the center table. "I have them all—every one. I saved all of John's letters, and I always put the pictures here in this Good Book."

The visitor turned the leaves of the Bible, and there between its pages were hundreds of United States bank notes. When the mother was told that these "pictures" were real money, she wept for joy, and exclaimed, "Oh, of how little value is money unless it is used!"

**Editorial of the Week****SERVICE IS IMPORTANT**

The average small town merchant has most of the advantages and few of the disadvantages of the big city merchant, and more and more merchants in the smaller communities are waking up to that fact.

Practically every survey conducted in many fields of merchandising points to the fact that only nine per cent of customers are lost because of price cutting—one of the major excuses used by small merchants when they lose business.

Not many customers are lost by another route often blamed by small merchants—larger stocks of merchandise in the city stores.

These surveys show that 69 per cent of customers are lost through discourteous treatment, poor service or indifference; that another 16 per cent are lost because of unadjusted grievances—The Ochiltree News.

**TWENTY YEARS AGO.**

From the files of The Hamlin Herald are taken the following items of interest of 20 years ago, being reprinted from the issue of April 10, 1936:

Mrs. Doyle L. Wilson and son, Billy Doyle, of Paducah were Saturday guests in the home of Mr. and Mrs. Fred Carpenter.

T. E. Shelburne and Thomas Teague were elected to the Hamlin school board in voting last Saturday, when only 37 votes were cast.

Total of 292 votes were cast Tuesday in the city election. Joe Culbertson was reelected mayor over W. J. Arrington. M. C. Wilson, H. O. Cassle and J. W. Ezell were elected to the City Council. Also on the city ticket were J. S. King and D. O. Sauls.

Mr. and Mrs. Grady L. Dunn and four sons have moved to Hamlin from Winters. Dunn has charge of the meat department at the Help-Selfy grocery.

Mr. and Mrs. L. R. Rose went to Rule Sunday to visit Mr. Rose's mother. They were accompanied by Mr. and Mrs. John Ferguson.

Mrs. Hub Wyatt and Boots Walker were called to Meadow Tuesday of last week by the sudden death of their father, A. L. Walker, who dropped dead on the street at Lubbock.

**TEN YEARS AGO.**

Goings-on in the Hamlin community 10 years ago included the following items of interest, reproduced from the issue of The Hamlin Herald dated April 12, 1946:

Jerry Waggoner, editor, and Margaret McBride, business manager, have announced that the 1946 edition of The Pied Piper annual of Hamlin High School, has gone to press.

Crews that will work on the Hamlin to Sylvester stretch of Farm-to-Market Highway 57 have moved into Hamlin this week. Work was scheduled to begin the last of this week.

Mardell Lynch, who has been minister of the Hamlin Church of Christ for three and one-half years, has accepted the call of a church in Colorado City.

One of the largest crowds of visitors ever seen in Hamlin was in town last week-end to attend the Hamlin Rodeo.

Farmers of the Hamlin sector are being advised by the county agent this week that early hatching of grasshoppers in the area indicates that the insects will be a major problem this season.

LaFoy Patterson and Ambrose Spencer were elected to the board of trustees of the Hamlin School District Saturday, when only 25 votes were cast.

**FIVE YEARS AGO.**

Among news items of interest in the Hamlin community five years ago were the following, reprinted from the issue of The Hamlin Herald dated April 6, 1951:

A rat extermination program within the city of Hamlin is being promoted under the sponsorship of the Hamlin Chamber of Commerce, which has hired the services of a professional poisoner who is due here next week.

Cotton ginnings for Jones County for the 1950-51 season totaled 44,610, according to the government census keeper.

Deadline for charting by local merchants of their OPS price ceilings has been set for April 30, according to government officials.

Considerable interest has been manifested by Hamlin area citizens this week in the display at Malouf's Department Store of projects of vocational agriculture students of Hamlin High School.

While sessions of the Midwest Texas Firemen's Association were underway here last Thursday, a fire alarm was turned in from the Bill Matchett farm north of town.

The local firemen had plenty of help from the sidelines by visiting firemen.

**ONE YEAR AGO.**

Considered news one year ago in the Hamlin community were the following briefs, taken from the issue of The Hamlin Herald dated April 15, 1955:

Actual construction of the new \$20,000 Hamlin city swimming pool is expected to get underway within a few days, according to Delma Shelburne, president of the Hamlin Foundation, Inc., sponsor of the project.

Hamlin's appearance will take on a new dress if plans for this week-end's city-wide clean-up of the town materialize, leaders declare.

Truman Nix of Andrews has been named head football coach at Hamlin High School.

\$20 down: steer yearlings quoted from \$18.50 down; replacement cows, \$9 to \$13.

Choice meat type butcher hogs topped at \$15.50 to \$15.75 at Fort Worth Monday, steady with last week's close. This, despite the fact that over 90,000 hogs were reported around the major market circle, some 28,000 more than last Monday. Sows were also steady at \$9.50 to \$12.50. Off weights and less desirable grades and kinds of hogs bulked at \$12 to \$15.

Cull, common and medium shorn lambs drew \$10 to \$15, with some emaciated culs below \$10. Stooker and feeder shorn lambs sold around \$12 to \$13, a few higher. Old ewes drew \$5.50 to \$6.50, a few to \$7. Old bucks drew \$5 to \$6.

**NEW BULLETIN OUT.**

"Mineral Rights' Management by Private Landowners" is the title of a new bulletin which is now available at the offices of local county agents or from the Agricultural Information Office, College Station, Texas.

**FARM VALUES DOWN.**  
The U. S. Department of Agriculture reports that farm real estate values in Texas dropped slightly—one per cent—during the last four months of 1955, but was three per cent higher on November 1, 1955, than on the same date a year earlier.

## Rotan Club Official Speaks at Guest Day Tea Given Friday by Literary Club

Numbers of guests were present from in and outside Hamlin when members of the Woman's Literary Club were hosts at a guest day tea Friday afternoon at the First Methodist Church.

The tea table was centered with an arrangement of flowers on a cut work cloth with appointments in silver and crystal.

## Quita Joy Ivy to Wed In Odessa Ceremony

Engagement of Quita Joy Ivy of Odessa, granddaughter of Mrs. Ina L. Parker of Hamlin, to Alman First Class William C. Armstrong, was announced Saturday by Mrs. William T. Ivy of Odessa, at a tea honoring the bride-elect.

The couple has tentatively set as a wedding date June 16. Vows will take place in the Odessa First Methodist Church sanctuary.

Miss Ivy, who is a graduate of Odessa High School and Draughon's Business College at Lubbock, has been a visitor to Hamlin many times. Her parents formerly lived here.

## "Hot Flashes Stopped" or strikingly relieved

In 63-80%\* of cases in doctors' tests

If you're miserable from the "hot flashes" and accompanying irritable, restless feelings of "change of life" — you may be suffering unnecessarily!

\*For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested. Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing nervous, "out of sorts" feelings of mid-life "change"!

So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the menstrual pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves"!

## Jones County 4-H Club Girls Will Compete At District Contests

Seven Jones County 4-H Club girls will enter the District III 4-H elimination contests at Midwestern University in Wichita Falls Saturday, it is announced by Jimmie Lou Wainscott, county home demonstration agent and sponsor of the girls.

These girls will represent Jones County as follows:

Dairy foods team—Nancy Hunter and Karen Irvin of Noddle 4-H Club with their demonstration on "What's Milk to You?" They will make chocolate mint tower.

Safety Team—Dee Anne Goodrich and Peggy Cox of Anson Junior Leaders Club will enter this contest with their demonstration on "Streamlining the Medicine Cabinet."

Electric Demonstration—Patsy Wade and Rita Herring of Anson 4-H Club will give their demonstration, "Cleaning and Oiling an Electric Sewing Machine."

Public Speaking—Beth Atkins of the Anson Junior Leaders Club will enter the contest with her speech on "What 4-H Club Means to Me."

Four-H Club members from 22 counties will enter these contests. District winners will enter the state contests at College Station at the 4-H Round-Up in June.

fruit, canned kadota figs and dates.

Onions made the list for the first time this spring. Potatoes and dry beans are also listed.

Supplies of milk and other dairy products continue to increase with the advent of the spring season.

Broilers, fryers, rice, lard and peanut butter round out the plentiful foods list for April.

## Panel Discussion Features Tuesday Dinner Meeting of Hamlin B&PW Club

The education and vocational committee had charge of the program and arrangements when members of the Business and Professional Women's Club met at the Primary School cafeteria last Tuesday evening for the regular dinner meeting.

Tables were decorated with miniature parasols in pastel colors and spring flowers. Those on the committee were Maggie Seymour, Mrs. Zelma Hulse, Mrs. Austin Poe and Mrs. Joe McCrary.

Mrs. Vera Nobles, president, called on Mrs. W. L. Hunter to render the invocation.

Mrs. McCrary was assisted by some of her students for the musical program. Gary Ted Jay played two piano selections. Jimmy Shivers, Patsy Kelly and Mrs. McCrary played three accordions.

Drive Chairman J. W. McCrary which fights cancer through a three-front program of research, education and service to patients. As a voluntary organization, it depends entirely on the public contributions obtained through its annual cancer crusade. As mayor of the City of Hamlin, I, Willard Jones, do hereby proclaim that the residents of this city shall observe April as Cancer Control Month.

Therefore, I urge generous financial support to the cancer society's fund raising campaign, beginning April 17, so that it may widen and intensify the battle against cancer until such time as the menace of man's cruellest enemy shall be lifted forever.

Text of the proclamation follows:

Cancer is one of the most critical public health problems of our times. Some 250,000 Americans, many of them in our own state, will die of cancer in 1956 if present rates continue. Moreover, at present rates, one American in every four now living will some day be stricken by that disease.

But in the last decade there has been marked progress in the diagnosis and treatment of cancer. Although one cancer in four is now being cured, two out of four patients could be saved if they were treated early enough. This would mean saving 80,000 additional lives a year. Approximately that many such patients were saved last year.

The American Cancer Society plays the leading role in the national fight against cancer. Through its programs of public and professional education, the society spreads the life-saving message of early discovery and prompt treatment; and keeps the nation's doctors advised on techniques in detection, radiation and surgery.

By its support of more than 1,000 top flight scientists in a nationally coordinated program of research, the ACS gives urgency to the search for new cures for this menacing disease.

That organization is the only voluntary national health agency

In the picture and lecture here, Rev. Field will show and discuss the explosive problem of Palestine and speak of his experiences while living and working with both the Jews and the Arabs. During the war Field served with the British Middle East Army, after which he returned to the Holy Land to resume his work. From these first-hand experiences he is a well qualified and unbiased speaker on the Jewish-Arab struggle for the land of Palestine.

The film, "The Holy Land Passing Parade," which Field will show, is a complete and original sound film on Palestine. Contrasting the life of the modern Jew in the state of Israel and the life of the native Palestinian as he carries on the customs and traditions common in Bible days, it features a coverage of the entire country from Dan to Beer-sheba.

Rev. Field will show pictures, in sound and color, of the work of the mission which he represents.

Your Electric Service is even a bigger bargain than it looks

For pennies a day, electricity lights your home, cooks your food, washes your dishes, and serves you in dozens of other ways. It's the biggest bargain in your family budget!

And it's even bigger than it looks.

Out of every \$4.00 you pay on your electric service bill, about \$1.00 goes for local, state and Federal taxes. Yet, in spite of this, you are getting about twice as much electricity for every dollar as you did 25 years ago.

**Jones County to Be Represented at 4-H District Competition**

Jones County 4-H Club will be well represented at the District III elimination contests to be held Saturday at Wichita Falls, according to Bill Lehner, county agent and sponsor for the boys' clubs.

The boys will be represented by six teams, including:

Tractor operator—Tom Martin of the Anson Junior Leaders Club; crop judging—Jimmy Roberts and A. H. Roberts of the same club; entomology—Delbert Wilson, Gerald Lain and John Mitchell of the same club; livestock judging—James Alfred, Kenneth Vanell, Roy Justice and Lloyd Warren of the Nodale club; share-the-fun—Pete Sylvester and Danny Edwards of Avoca; and soil conservation demonstration — Ronnie Sosebee and Rowland Foster of Anson Junior 4-H Club.

Winners of the district event will participate in the state contests to be held during the state 4-H Roundup in June at Texas A. & M. College.

**Palestine Picture To Be Presented at Baptist Church**

Rev. Walter J. Field, lecturer, English educator and missionary from the Holy Land, will present his timely lecture and sound motion pictures on "Life in War-Torn Palestine," at the First Baptist Church Wednesday evening, April 18, beginning at 8:00 o'clock, it was announced this week by the pastor, Rev. Houston Walker.

The speaker has recently returned from the Holy Land, and is now on a lecture tour. He is a native of the British Isles and has spent more than 14 years in Palestine and Middle Eastern countries.

In the picture and lecture here, Rev. Field will show and discuss the explosive problem of Palestine and speak of his experiences while living and working with both the Jews and the Arabs. During the war Field served with the British Middle East Army, after which he returned to the Holy Land to resume his work. ## Hamlin One-Act Play To Be Seen Thursday

"The Sheriff," district winner in the one-act play contest, begins its final rehearsals before the regional contests this week, declares Director Doyle B. Smith.

First public showing of the play is scheduled next Thursday evening at the high school auditorium. An admission will be charged. Members of the cast are Dee Prewit, Joe Stephens, Judy Harren, Billy Lafler and John Walker.

Also to be presented at the performance of the one-act play will be the district winners from Hamlin in the speaking events.

membership with needs and responsibilities, through posters, lay speakers in the Sunday School classes and morning worship services, and a stewardship sermon and by letter.

Following the educational portion, the visitation will conclude the program. Austin Poe is in charge of the visitation, assisted by two division leaders, L. H. McBride and A. B. Carlton.

Church officials are gratified by the results and response of the stewardship educational program carried on last year, Egger declares. For the first nine months financial gains in church collections had increased about 25 percent over the same period a year ago. Officials are expecting a generous reception by the entire membership to this program. By the time the visitation period is ended the church budget of almost \$19,000 is expected to be pledged in full, the pastor says.

## Bo Newland Presented Safe Driving Award

Bo Newland, Lone Star Gas Company distribution department employee at Hamlin, has driven an automobile in line of company duty four years without an accident, according to District Manager H. D. Smith. Newland, a skilled driver, received a certificate of merit for the record at a safety meeting in Stamford Tuesday night, Smith said.

Lone Star employees from Haskell, Anson, Stamford and Rotan also were recognized for safe driving records ranging from one through 12 years. Presentation was made by Glynn Covington of Ranger, Lone Star safety engineer. He said an employee must drive a vehicle at least 5,000 miles in a year to qualify for an award.

## When it comes to Protection... it pays to have the BEST

A sudden vicious attack holds no terror for this resourceful postman. But he'd be whistling a different tune if he'd left his stout protectors home.

Dependable insurance is like that, too. It's one thing you can't buy when you need it most. After an accident or loss has occurred, it's too late to get better insurance if the policy you have proves unsatisfactory.

So don't gamble with "cheap" insurance. Buy only the BEST—and buy it today.

You've heard of heredity and environment. You know that the latter usually exerts the stronger influence upon the development of a child.

Then you are face to face with the dilemma of the Church.

The Church can give to every child who comes within its influence the heritage of the Christian faith. It can teach him the truth about God; it can show him the Christian way of life.

But what happens when a child goes home? Will the lesson "stay learned"? Or will it be destroyed by language, attitude and example contrary to all the Church has taught?

It isn't enough to send your child to church. Become a church-going family! Let Christian truth mold the life of your home and it will mold the life of your child.

## Tracksters Go to Brady For Final Meet of Year

Final participation of the Hamlin High School track and field men in an area meet will come this weekend when the Pipers go to the Brady Relays.

About eight boys will make the trip to Brady, where competition is expected to be plenty keen by teams from the Central West Texas region.

Our grand business is, not to see what lies dimly at a distance, but to do what lies closely at hand.—Thomas Carlyle.

## Pipers Take First Tilt Baseball from Anson

Hamlin High School baseball team won its first matched game Tuesday afternoon from the Anson Tigers by a 3 to 2 score in a tilt played on the local diamond.

Pitching for the Pied Pipers were Don Adair, Mac Reid and James Corder.

A regular schedule of games for teams of the district is being worked out by school officials.

A very small honor can puff up a very small individual.

## Hamlin Takes Fourth Place in District League Track Meet

### Colorado City Barely Noses Out Stamford Crew

Colorado City won the district track championship by virtue of eight first places and a tie for another first place as teams of the District 4-AA area met Saturday at McMurry College track. Stamford had two first places and a tie for another one to place second with 52 points, only one point behind the Wolves. Anson was third with 22 points, nosing out Hamlin by one point. Hamlin won two first places and Anson one.

Results of the meet were not decided until the last event. Going into the mile relay in which Stamford was the favorite, Stamford had 49 points and Colorado City had 48. Colorado upset Stamford in this event to get five points to Stamford's three.

Hamlin boys placing in the meet were as follows:

Doug Ford won 180-yard low hurdles with record breaking time of 19.8 seconds. He also placed fourth in the 100-yard dash.

Ken Hewett won 880-yard dash with record breaking time of 2:05.6 minutes.

Charles Jenkins placed second in the discus throw with a pitch of 121 feet 11½ inches.

Hamlin's mile relay team composed of Wesley Minton, James Crowley, Ken Hewett and Doug Ford placed third.

Charles Jenkins, Virgil Wilson, James Crowley and Dee Prewit, making up the spring relay team, placed fourth.

Virgil Wilson placed fourth in the 120-yard high hurdles and fourth in the 880-yard dash.

Wesley Minton placed fourth in the 440-yard dash and fourth in the 220-yard dash.

A little more patience, a little more charity for all, a little more devotion, a little more love . . . and the race will be ripe for a great burst of light and life.—Elbert Hubbard.

Its power packin' punch put it No. 1 in V-8 sales

And now Ford's new 225-h.p. engine gives you even hotter performance!

Today's biggest trend in automobiles is to the V-8 engine. That's because today's car buyer demands performance. And latest sales figures show that the Ford V-8 with its power-packin' punch is the largest-selling eight in the world! Official figures for 1955 show that 346,373 more people bought Ford V-8's than bought the two other low-priced eights combined!

But now Ford is setting an even hotter V-8 pace by making available the biggest engine ever offered in the low-price field. It's the Thunderbird Special V-8—and you can order it now in Fairlane and Station Wagon models. This engine has a displacement of 312 cubic inches and delivers 225 horsepower. It whisks you from "whoa" to GO as you've never gone before!

And Ford gives you that wonderfully long, low look of the Thunderbird in all of its '56 models. You get new Lifeguard Design, also, to help protect you in case of accident. Test Drive this great new '56 Ford . . . today!

## Officers Nominated Hamlin Lions Club for New Year

A good sized crowd was present when the Hamlin Elementary Parent-Teacher Association met in regular session Thursday afternoon, with Mrs. Starr Inzer, president, presiding.

Entertainment was furnished by the seventh grade girls' choral club, under direction of Carolyn McCleary. Invocation was given by Rev. Darris L. Egger, pastor of the First Methodist Church. Mrs. Everett Gibson gave the thought for the day, in which she stressed the need to "relax and smile."

After a short business session, Dr. E. D. Perrin gave an inspiring talk. He used for his subject "The Family: Builds Sound Bodies and Develops Wholesome Personalities."

Cases of cancer could be cured by early treatment.

Guests at the Tuesday luncheon included Joe Breed of Anson and Tom Boyd of Stamford.

THE HAMLIN HERALD, HAMLIN, JONES COUNTY, TEXAS

### Presentation Made To Anson Man of Plymouth Award

Clarice Brown and Mary Sue Warnell, Hamlin High School seniors, were named winners of the correct posture contest in the local school last week, it has been announced by Dr. William Patillo, Hamlin chiropractor, who directed the local phase of the event.

Farm and ranch land values in the Hamlin section continue to remain at a good level, a check of real estate dealers reveals.

Farm real estate values in the state of Texas as a whole dropped slightly during the latter part of 1955, according to a report just issued to The Herald by the U. S. Department of Agriculture.

During the four-month period from July 1 to November 1, farm real estate values increased from two to four per cent in 31 states and remained essentially unchanged in 16 states. In Texas the decrease was one per cent.

Compared with a year earlier, farm real estate values in the states were up three per cent as of November 1. This compares with a nation-wide rise of five per cent during the same period. Values last November averaged higher than a year earlier in all but two states, Nevada and Utah.

Continued business prosperity and strong demand by farmers for additional land to enlarge their farms have helped to offset expected effects on land values of lower prices for farm commodities, according to the USDA report.

Livestock auction sales are playing a vital role in the marketing of livestock today, declared Cecil Sellers, Hamlin stock farmer and auctioneer, when he spoke at the Wednesday noon luncheon of the Hamlin Rotary Club at the oil mill guest house.

Sellers, who is the starting bidder for the San Angelo Livestock Auction Sales, outlined the functions of the 154 auction sites that are operating in Texas. Small batches of livestock, he pointed out, are handled at the auctions for the small producer, each animal in most instances being given recognition for quality.

Buyers at the auctions generally transport the stock to one of the three major terminals in Texas, located at Fort Worth, San Antonio and Houston, where packers eventually purchase them, Sellers declared.

He stated that annual per capita consumption of beef in the United States is 73 pounds compared with 245 pounds per capita in Argentina.

Besides Sellers, other guests at the Wednesday luncheon included Dr. William Patillo, Charlie Sellers and Melvin Barnes, Junior Rotarian for the day, all of Hamlin; Marshall Moore of Abilene; George Cowan, Ralph E. Wallace and George K. Beard of Sweetwater.

He—"Funny, nothing! My suspenders are busted."

It is good to have the things that money can buy, but it is also good to check up once in a while and be sure we have the things that money cannot buy.—George Horace Lorimer.

More than 2,500,000 persons in the nation entered the contest sponsored by the Plymouth division of Chrysler Corporation, which ran from January 17 through March 10. All told, the "sweepstakes" offered prizes totaling \$150,000. During the contest period all owners of 1050-56 automobiles, who purchased their cars prior to January 17, 1956, were eligible to enter. Sweepstakes entrants registered their car's motor number at their local Plymouth showroom and showed proof of ownership.

Buyers at the auctions generally transport the stock to one of the three major terminals in Texas, located at Fort Worth, San Antonio and Houston, where packers eventually purchase them, Sellers declared.

## WHAT DO YOU MEAN, "JUST FACE LIFTING"?

EVERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new—just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

#### The Styling is New

Sure, it looks like a Buick. But it has a new V-shaped grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweep spear is new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours.

But that, friends, is only the beginning.

#### The 1956 Dynaflo\* is New

It introduces what the engineers call "double regeneration"—which means a double-action take-off. It gives you new,

split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

#### The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

#### The Power is New

All 1956 Buicks have new 322-cubic-inch V8's—with record highs in power and compression—with unique new double "Y" manifolding to step up efficiency—with new carburetor "deicing"

and a host of other new features to make owning a Buick pure pleasure.

#### The Thrill is New

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the best Buick yet—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Mrs. C. Beth Ballard, Correspondent

McCauley Future Farmers of America chapter met in their classroom in a called business session Wednesday with their sponsor, Bill Robinson. After a brief meeting, the boys decided on their end-the-session recreational trips. On the first trip April 20, the chapter will go fishing at Lake Brownwood. On May 1 they will attend the district FFA banquet at Rochester. At an earlier meeting Joy Lawlis was elected sweetheart of the group.

McCauley's FFA unit includes: Don Alexander, president; Julius Decker, vice president; Sammy Holcomb, treasurer; David Hennigton, secretary; Harvey Lawlis, sentinel; and Neal Woods reporter. Other members are Buddy Williams, Billy Henderson, Charles Rector, David Milner, Larry Warner, Larry Potts, Carl Smart, Jimmy Kelly, Ben Ed Ensinger, Smitty Maberry, Jerry McCright, Jerry Jeffrey, Gerald Davis, Robert Joplin, Troy Watson and Donny Potts.

Visiting Mrs. J. T. Rhoton last week-end were Mr. and Mrs. Bob Meeks of Hamlin and grandson, Randy Parker of Vernon, Mr. and Mrs. Marvin Rhoton of Hamlin and Earl Rhoton and family of Roby.

Sunday evening visitor of Mrs. Rhoton and Mrs. Ballard was Edwin William Longworth, Bible student at Hardin-Simmons University at Abilene.

Mr. and Mrs. Robert Hicks and children of Snyder visited his parents and brother, Mr. and Mrs. E. M. Hicks and Tyrus.

The Hicks Grocery, formerly owned and operated by Mrs. Lewis Rector, and now under operation of Tyrus Hicks, has had a "face-lifting" lately. The new fixtures include a large deep freeze and a drug and cosmetic line.

Several singers from the McCaulley churches attended the Fisher County Singing Convention at the Sylvester Methodist Church Sunday.

Mr. and Mrs. George Decker of Sweetwater were week-end visitors of his parents, the M. H. Deckers.

Bob and Ronny Lawlis of Trent visited Tommy Hood over the week-end.

Members of Gleaners Sunday School Class of the Baptist Church met in a fellowship class meeting Tuesday in the home of Mrs. G. W. Joplin. Object of the session was to prepare for future lessons. Plans were made for distributing gifts for secret pals.

Sixth grade girls met April 2 for the purpose of organizing a Grade Girls' Literary Club. At an earlier meeting the girls had organized a Glee Club, which included the sixth grade sextet called the Melody Belles. At the recent meeting the girls decided to combine both music and literature which would include the boys and

**Hamlin Bank Holds to Rank Despite Drouths**

Despite the continued drouth in the Hamlin section, which naturally reduces deposits of farmers and ranchers, the Farmers & Merchants National Bank of Hamlin continues to maintain its rank among banks of the nation, a survey by The American Banker magazine reveals.

With deposits of \$4,761,975 on December 31, 1955, which was a slight gain over the previous year-end, the F. & M. ranks 4,492nd in the United States among more than 12,000 banks.

**THE PERFECT GIFT.**

A man browsing in a pet shop was approached by an attractive young girl who asked if she could assist in his selection.

"Well," mused the prospective customer, "I have been thinking of getting a pet for a client of mine. He is a semi-invalid; can't get out of the house; man about 60; very wealthy; nice sort of chap. He has no relatives—so the idea of a pet came to me."

The girl considered and then brightened visibly, said, "I think I have just the thing!"

"Good!" said the man. "What kind of a pet do you suggest?"

Replied the bright young lady, "Me!"

**REMARKABLE RECOVERY.**

"My boy," said the boss, "do you believe in life after death?"

"Yes, sir."

"Then that makes everything just fine," the boss went on tenderly. "About an hour after you left yesterday to bury your grandfather, he came in to see you."

Actually . . . no matter where you live . . . nobody . . . and that means NOBODY . . . can give you more for your dollar than your own home business firms.

Let's look at the reason for this advantageous . . . to you . . . situation:

**ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.**

**ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for GOODS, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.**

**NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.**

**AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve YOU when you sometimes directly need their knowledge and their skills**

**ONLY when you buy in YOUR OWN HOME community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.**

**FOR VARIETY**, we believe we'll let some neighboring editors have charge of this column for this week . . .

**H. M. BAGGARLY** in the *Tulia Herald* has this to say:

With her prestige among the family of states already at an all-time low, about all Texas needs to confirm the fears of the rest of the sane world, which has had an eyebrow raised for the past 20 years, is just another dose of Pappy O'Daniel.

**PAUL CRUME** in his Big D column of the *Dallas Morning News*, relates:

Half a dozen salesmen for a national paint company were telling the other day about a trip their national sales manager had made to Texas. He wanted to make the rounds with a few of his representatives.

Out in West Texas, he started out with one of the men on a perfectly clear morning. A sand-storm blew up from nowhere, though, and in the bad visibility the salesman got off a high shoulder. The car rolled over gently in the barrow ditch and the two men got out unhurt.

"Well," said the salesman, "what do we do now?"

"I don't know," said the sales manager, "but if I was back in the office I could tell you."

**ROY J. CURTIS** of The *Hamilton Herald* News remarks these remarks:

There was a Methodist preacher who went out of town to conduct a revival meeting, and he left his wife at home to keep the home fires burning and look after the kids and a few other chores.

In his first sermon in the revival meeting the preacher told the congregation, "I've come here for this two-week revival meeting and left my dear wife at home carrying on with the stewards."

**GEORGE BAKER** writes in The *Fort Stockton Pioneer* these words:

There is no doubt that the Dallas insurance man, once a flour salesman, is a master of psychology if not of politics. Every attack by a political opponent is labeled "persecution," and turns into political advantage.

What Texas voters need most of all in the months ahead is a sense of humor and detached viewpoint — to study candidates and their qualifications on the basis of fact and achievement rather than emotional appeal.

**PECOS OMNIBUS** column of The *Pecos Enterprise* makes these observations:

With the advent of spring, law-makers begin the hurried task of repairing broken fences. Soon the area will be cluttered with speeches by the birds and bees take cover, discussions and counter-accusations by politicos seeking election and re-election. Smoke-filled caucuses rooms will set policies, pick candidates and roll the publicity campaign into full speed. Millions of dollars will be collected and spent by political machines, and Americans will indulge in their favorite pastime, next to baseball, an election.

**DESKINS WELLS** reports this event in his *Deck's* column of The *Welling-ton Leader*:

Williams had about 10 acres of his farm watered last week. I asked him if he intended to then the ditch and to the rest. He said: "I know that will be old news and I don't intend to tell his part."

**MARTIN TO DUTY.**

A colonel insisted that his serve a domestic, corn-fed turkey for Thanksgiving . . . no foul. Came the day and the colonel cut into a beautiful, done-fried bird, frowned, cut and said to his cook, "Don't tell me I wanted a nice bird."

He said, "It's domestic, corn-fed."

What about this shot I'm

shuffled from one foot to the other. "Dat shot we meant fo' me!"

**SECOND PRIZE WINNER** of a trip around the world for two plus \$5,000 in cash in the Plymouth lucky motor number sweepstakes is Grady Flynt of Anson. Dave Prewit of the Prewit Motor Company of Stamford is shown making the presentation to Flynt. Others in the picture are Mrs. Flynt and children, Joy, Jack, Jill and Roy Leonard, nephew of Mrs. Flynt, who makes his home with the Flynts.

### James D. Willeford To Lead in Church Of Christ Services

Leaders of the Hamlin Church of Christ this week announced an eight-day series of gospel services beginning Sunday and continuing through Sunday, April 22.

An outstanding preacher of the gospel, James D. Willeford of Abilene, will do the preaching. In addition to some 25 years' experience preaching for churches in Kentucky, Missouri, New Mexico, Wisconsin and Texas, he has been the principal speaker on a weekly radio gospel broadcast over the ABC network for five years, and more recently is also appearing on regular television programs.

The song services will be directed by a local boy, James Eddie Jay, son of Mr. and Mrs. Eddie Jay.

Week-day services will be at 3:30 p.m. and 7:30 p.m., leaders announce, to which they invite the general public.

### Eoff and Young Made Trustees in Light Vote

W. C. Eoff and Richard Young Jr. were elected without opposition to places on the board of trustees of the Hamlin Consolidated Independent School District in balloting that polled only 43 votes.

Pastor Houston Walker will be at Rule First Baptist Church Sunday morning to preach the sermon for the fiftieth anniversary of that church, which he pastored for five years before coming to Hamlin. He will return to his pulpit for the evening service, he declares.

Eoff was re-elected, and Young was named to the place made vacant by the expiration of the term of Tarlton Willingham, who did not seek re-election.

### Pre-School Groups Invited to Visit Classes Tuesday

Pre-school visitation day for youngsters of the Hamlin Consolidated Independent School District has been set for next Tuesday, April 17, according to Superintendent C. F. Cook.

All children who will be in the first grade next year are invited to visit the new Primary School during the hours from 9:00 a.m. until 1:00 p.m., along with their mothers.

A short program will be conducted in the cafeteria after registration of pupils, with Mrs. Starr Inzer, president of the Hamlin Elementary Parent-Teacher Association, in charge. A film, "Skippy Learns the Three Rs," will be shown. Musical numbers will be presented by students under the direction of Carolyn McCleny, choral music director.

The children will need to bring 30 cents in order to eat in the school cafeteria, and bring their birth certificates in order to be registered for next year, Cook explains.

### Mrs. A. A. Hackley Made TB Unit Director

Mrs. A. A. Hackley of Hamlin was one of 12 new members elected last Friday to the board of directors of the Texas Tuberculosis Association at its forty-sixth annual meeting at Midland. Each of the new members will represent his or her own county association for a one-year term on the state board.

Johnny Ammons of Roby was a new director from Fisher County, and Walter B. Terrell of Sweetwater will represent Nolan County as a new director.

### Bill Cathy to Preach At First Baptist Church

Bill Cathey, president of the Life Service Band at Hardin Simmons University in Abilene, will fill the pulpit at the First Baptist Church Sunday morning. He recently was elected president of the Texas Baptist Student Union.

Pastor Houston Walker will be at Rule First Baptist Church Sunday morning to preach the sermon for the fiftieth anniversary of that church, which he pastored for five years before coming to Hamlin. He will return to his pulpit for the evening service, he declares.

Eoff was re-elected, and Young was named to the place made vacant by the expiration of the term of Tarlton Willingham, who did not seek re-election.

Two Hamlin young people were honored Friday night at the annual 4-H Club Week share-the-fun festival as they were named King and Queen of the Jones County festival.

Local observance of National 4-H Club Week was held in the Anson High School auditorium.

More than 300 persons attended the coronation of the 4-H King and Queen and were entertained with a share-the-fun festival. In all, 18 senior and junior acts competed for prizes in the fun festival.

A. H. Roberts and Beth Adkins of Anson alternated as masters of ceremonies.

Bob Murff, son of Mr. and Mrs. J. O. Murff of Hamlin, and Nina Jean, daughter of Mr. and Mrs. M. S. Jean of Hamlin, were crowned King and Queen.

### Attendance at Sunday Schools Shows Gain Over Year-Ago Totals

While not quite reaching the total attendance record made on Easter Sunday, the 12 reporting churches had Sunday School attendance of 49 more than a year ago, tabulations by The Herald revealed.

Totals for the 12 Sunday Schools Sunday were 1,412, compared with 1,622 for Easter Sunday and 1,363 a year ago.

Following are attendances by churches for April 1, April 8 and a year ago:

Churches	1	8	Age
First Methodist	302	251	227
First Baptist	437	421	474
No. Cen. Baptist	97	104	50
Foursquare	97	75	107

Church of Christ	130	142	128
Calvary Baptist	53	52	45
Pentecostal	—	—	—
Assembly of God	57	36	40
<b>Totals</b>	<b>1622</b>	<b>1412</b>	<b>1363</b>

### 14 Additions Result in Sunset Church Revival

Baptismal services for the spring revival which closed Sunday evening at the Sunset Baptist Church were conducted Sunday afternoon.

The two-week series of evangelistic services had been conducted by new pastor of the church, Rev. R. B. Tiner. He reported two conversions and 10 additions by letter during the revival.

Class booths will be in the gymnasium and cafeteria. Arranged

**TORNADO DAMAGE**—The broken shells of two buildings and the rubble of another bear mute testimony to the violence of a tornado that ripped through Bryan, causing heavy property damage. The twister damaged over 200 homes and narrowly missed Texas A. & M. College and the Bryan Air Force Base.

### Hamlin Youths Get 4-H Royalty Honors

A pantomime, entitled "St. George and the Dragon" by four members of the Anson Junior Leaders Club won first place in the senior division. The act was performed by Jimmy Roberts, Delbert Wilson, John Mitchell and Will H. Agee.

Second place went to Danny Edwards and Pete Sylvester, Avoca 4-H Club members, with their rendition of two hit tunes.

Beth Adkins of the Anson Junior Leaders Club won third place with her reading "Youngest in the Family."

First place winner in the junior division was Sharon Wisener of the Anson 4-H Club with her reading entitled "The Actress." Ted Wills of Luverne won second place with his steel guitar numbers.

Third place honors went to the Avoca boys for their skit entitled "Balm of Life." Boys in this act included Mike Workman, Garlyn Shelton and Kenneth Lindsey.

Mrs. Aulene Perrott of Anson, Wanda Greenhill, county home demonstration agent of Haskell County, and Duane Howell of the Abilene Reporter-News served as judges. In the words of Howell: "It was one of the best programs of the kind I have ever attended."

Friday, the 13th, holds no superstitious bugaboo for students of Hamlin High School. They have scheduled their annual High School Carnival in the high school gymnasium, cafeteria and auditorium.

Beginning at 6:30, the affair will charge admissions of 15 cents for students and 25 cents for adults.

Climax of the evening's fun and frivolity will be the naming of the School Queen and the princesses and escorts for the various classes.

Candidates from the high school classes are: Ann Cochran and LaVere Wilson, senior; Mary Jo Hubbard and Don Aair, junior; Renee Moore and Joe Stephens, sophomore; and Mary Brown and Ed Shields, freshman.

Two new citizens have been recorded at Hamlin Memorial Hospital since last report in The Herald. Both boys, they are:

A boy for Mr. and Mrs. D. Trevino arrived March 27 at 10:00 p.m. Weighing eight pounds four ounces, he was named Reuben.

A boy arrived for Mr. and Mrs. R. D. Klutting of Aspermont on March 31 at 2:00 p.m. After having his weight checked at eight pounds three ounces, he accepted the name Gregory Steven.

Class booths will be in the gymnasium and cafeteria. Arranged

### Loan for Needed Funds Negotiated By Insurance Firm

Expansion of the Hamlin Memorial Hospital by almost one-half its present floor space is planned for the near future, it was announced Tuesday by W. L. Fletcher Jr., chairman of the board of the corporation owning the institution. Estimated cost of the additions has been set by architects at \$60,000.

The expansion would include a new east wing to the present structure, which would house a clinic for the doctors who have been leasing the hospital from the publicly-owned institution; plus consultation rooms and special rooms for maternity cases. At present the doctors' offices are located in the main section, east of the waiting room. These rooms would be converted into patient rooms and a nursery.

## FRIDAY, THE THIRTEENTH, FALLS IN APRIL, 1956

Friday will be the 13th. By tradition it is a day of ill omen. The superstitious will be busy exorcizing ghosts, poltergeists, witches and assorted flying beasties. The rest of us will prudently invoke the protection of our personal trolls, leprechauns and good fairies to get us safely through the day. Not even the most hard-boiled cynic will be foolhardy enough to look cross-eyed at the quartering moon. Or — maybe you're more sensible. Maybe.

Did you never cross your fingers on a fib, or knock on wood to keep misfortune at arm's length? Do you say "Gesundheit" when Aunt Hattie sneezes? Naturally, you wouldn't walk under a ladder; that's not superstitious, that's just common sense. But how about the time you paid three bucks for that 10-cent bibelot at auction? And just last week you . . . well, none of us is perfect; we're all gullible in one way or another. Anyway, most superstitions are harmless enough—unless we let them run our lives. Or dictate our deaths.

Did you know, for instance that the American Cancer Society figures tens of thousands of Americans die each year before their time —victims of superstition or gullibility or

### Let's Check It

With April rolling around, we've come upon spring again, a time for cleaning the attic, digging around those flower bulbs, and painting the window screens.

And something else we ought to pay attention to. Along with all this refurbishing, don't overlook the old physiological machine, that body of yours. It's time to check up on your health, we are reminded by the American Cancer Society, which this year is using a catchy slogan, "Fight Cancer With a Check-up and a Check."

What this means, of course, is quite obvious. The ACS needs your cooperation in doing two things—getting enough money together to keep scientists working on a way to beat cancer permanently and getting such folks as you and me to go and have a physical examination.

Why a physical checkup? Because it's the best way to find out whether anything—including cancer—is wrong with you. Cancer can creep up on you quiet like, and you don't know you've got it until it's got you.

### From a Little Acorn

Parcel post came into being at the beginning of 1913. It's a safe bet that few people then had any idea of how greatly this institution would grow, or of the direction its development would take.

It was envisaged as a limited service, handling small parcels, primarily for farmers and rural residents not adequately served by private carriers. Congress specified that the service should be self-sustaining, that it should supplement and not supersede private carriers.

Parcel post has gone astray from these intents. During much of its life it has been run at a loss—the accumulated deficit for the 1926-52 period was over one billion dollars. It has and does unnecessarily compete with private carriers, in fields and in areas where private express service is perfectly adequate. And it has made it constantly more difficult for private carriers to stay in business. That some have is a tribute to their resourcefulness and standards of service.

Currently, there are various conflicting arguments as to the economics of parcel post and its influence, one way or another, on the post office deficits. But, these aside, it is clear that basic principles enumerated by the framers of the law are still being violated. Government in business is a bad matter at best.

### Poverty Among Riches

There is a story of an aged woman in Scotland who was living in dire need. She had been supported by the community, and had lived on charity for many years.

Her son, who had come to America many years before, had become very wealthy. The neighbors of the good old woman whispered among themselves, "Why has John failed to help his mother?" And then they would look askance at each other.

One day a kindly neighbor, knowing the circumstances, called on the mother and suggested that her son would surely help her if he knew of her need.

The aged mother, eager to defend her son, exclaimed, "Oh, John is so kind, but he needs all his money, and, you know, I do not really need it; John is a good boy. See?" and tears filled her eyes. "John writes me every week; he never fails. And they are the nicest letters—he sends a picture of everyone, and they are such strange, pretty pictures."

"Ah, have you saved them?" asked the neighbor.

"Oh, yes," replied the mother, as she took the old family Bible from the center table. "I have them all—every one. I saved all of John's letters, and I always put the pictures here in this Good Book."

The visitor turned the leaves of the Bible, and there between its pages were hundreds of United States bank notes. When the mother was told that these "pictures" were real money, she wept for joy, and exclaimed, "Oh, of how little value is money unless it is used!"

### Editorial of the Week

#### SERVICE IS IMPORTANT

The average small town merchant has most of the advantages and few of the disadvantages of the big city merchant, and more and more merchants in the smaller communities are waking up to that fact.

Practically every survey conducted in many fields of merchandising points to the fact that only nine per cent of customers are lost because of price cutting—one of the major excuses used by small merchants when they lose business.

Not many customers are lost by another route often blamed by small merchants—larger stocks of merchandise in the city stores.

These surveys show that 69 per cent of customers are lost through discourteous treatment, poor service or indifference; that another 16 per cent are lost because of unadjusted grievances.—The Ochiltree News.

### RECALLING Other Years

Being news items taken from old files of Your Home - Town Newspaper, The Herald.

#### TWENTY YEARS AGO.

From the files of The Hamlin Herald are taken the following items of interest of 20 years ago, being reprinted from the issue of April 10, 1936:

Mrs. Doyle L. Wilson and son, Billy Doyle, of Paducah were Saturday guests in the home of Mr. and Mrs. Fred Carpenter.

T. E. Shelburne and Thomas Teague were elected to the Hamlin school board in voting last Saturday, when only 37 votes were cast.

Total of 292 votes were cast Tuesday in the city election. Joe Culbertson was reelected mayor over W. J. Arrington. M. C. Wilson, H. O. Cassle and J. W. Ezell were elected to the City Council. Also on the city ticket were J. S. King and D. O. Sauls.

Mr. and Mrs. Grady L. Dunnham and four sons have moved to Hamlin from Winters. Dunnham has charge of the meat department at the Helpy-Selfy grocery.

Mr. and Mrs. L. R. Rose went to Rule Sunday to visit Mr. Rose's mother. They were accompanied by Mr. and Mrs. John Ferguson.

Mrs. Hub Wyatt and Boots Walker were called to Meadow Tuesday of last week by the sudden death of their father, A. L. Walker, who dropped dead on the street at Lubbock.

#### TEN YEARS AGO.

Goings-on in the Hamlin community 10 years ago included the following items of interest, reproduced from the issue of The Hamlin Herald dated April 12, 1946:

Jerry Waggoner, editor, and Margaret McBride, business manager, have announced that the 1946 edition of The Pied Piper, annual of Hamlin High School, has gone to press.

Crews that will work on the Hamlin to Sylvester stretch of Farm-to-Market Highway 57 have moved into Hamlin this week. Work was scheduled to begin the last of this week.

Mardell Lynch, who has been minister of the Hamlin Church of Christ for three and one-half years, has accepted the call of a church in Colorado City.

One of the largest crowds of visitors ever seen in Hamlin was in town last weekend to attend the Hamlin Rodeo.

Farmers of the Hamlin sector are being advised by the county agent this week that early hatching of grasshoppers in the area indicates that the insects will be a major problem this season.

LaFoy Patterson and Ambrose Spencer were elected to the board of trustees of the Hamlin School District Saturday, when only 25 votes were cast.

#### FIVE YEARS AGO.

Among news items of interest in the Hamlin community five years ago were the following, reprinted from the issue of The Hamlin Herald dated April 6, 1951:

A rat extermination program within the city of Hamlin is being promoted under the sponsorship of the Hamlin Chamber of Commerce, which has hired the services of a professional poisoner who is due here next week.

Cotton ginnings for Jones County for the 1950-51 season totaled 44,610, according to the government census keeper.

Deadline for charting by local merchants of their OPS price ceilings has been set for April 30, according to government officials.

Considerable interest has been manifested by Hamlin area citizens this week in the display at Malouf's Department Store of projects of vocational agriculture students of Hamlin High School.

While sessions of the Midwest Texas Firemen's Association were underway here last Thursday, a fire alarm was turned in from the Bill Matchett farm north of town. The local firemen had plenty of help from the sidelines by visiting firemen.

#### ONE YEAR AGO.

Considered news one year ago in the Hamlin community were the following briefs, taken from the issue of The Hamlin Herald dated April 15, 1955:

Actual construction of the new \$20,000 Hamlin city swimming pool is expected to get underway within a few days, according to Delma Shelburne, president of the Hamlin Foundation, Inc., sponsor of the project.

Hamlin's appearance will take on a new dress if plans for this week-end's city-wide clean-up of the town materialize, leaders declare.

Truman Nix of Andrews has been named head football coach at Hamlin High School.

### Largest Run of Cattle in Weeks Fails to Down Prices Materially at Fort Worth

Trade on fed steers and yearlings was steady at Fort Worth Monday, despite the fact that the largest run of cattle in several weeks was reported around the major livestock market circle, declares Ted Gouldy, special market reporter for The Herald, in his weekly release. His report continues: With estimated receipts above 100,000 cattle and some Corn Belt points reporting the largest offerings in three to five weeks, most markets in the Midwest turned lower. However, fed cattle were unaffected at Fort Worth due to the small supply.

Canner and cutter cows were weaker, some bids and sales 25 to 50 cents lower, however, the bulk of the run avoided the decline. Fat cows were steady. Bulls sold unchanged. Slaughter calves were inclined to ease, and most stockers were weaker, except the higher quality kinds.

Comparative prices: Good and choice slaughter steers and yearlings, \$16 to \$21, the latter for a load of 753-pound yearlings from G. R. Hill of Grayson County at the top figure. Common, plain and medium butcher sorts, from \$12 to \$15; fat cows, \$13; canners and cutters, \$7 to \$11; bulls, \$10 to \$14.50; good and choice fat calves, \$16 to \$20; cull, common and medium butchers, \$10 to \$16; stocker steer calves quoted from

\$20 down: steer yearlings quoted from \$18.50 down; replacement cows, \$9 to \$13.

Choice meat type butcher hogs topped at \$15.50 to \$15.75 at Fort Worth Monday, steady with last week's close. This, despite the fact that over 90,000 hogs were reported around the major market circle, some 28,000 more than last Monday. Sows were also steady at \$9.50 to \$12.50. Off weights and less desirable grades and kinds of hogs bulked at \$12 to \$15.

Fort Worth had some 9,000 sheep and lambs Monday, and around the major marketing circle the day's total was double that of a week ago. This, coupled with the heavy movements of other kinds of meat animals to market, set off a weaker trend on most classes of sheep and lambs.

Miller fat lambs were generally steady to weak, which moved much more readily than did the other kinds. Good and choice miller fat lambs topped at \$20 to \$21.50, and the medium and good grades sold from \$16 to \$20. Cull and common sorts sold around \$12 to \$16. A few stocker spring lambs sold from \$13 to \$15.

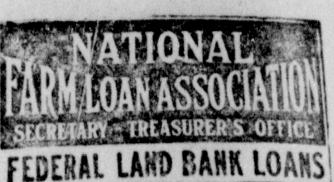

Old crop shorn lambs cashed at \$16 to \$18.50 when good and choice. The lambs at \$18 to \$18.50 were either woolly or had

## Half of Cancer Victims Could Be Saved

### By Early Treatment, Surveys Show

Drive Chairman J. W. McCrary this week urged Hamlin community people to give their generous support to the 1956 American Cancer Society Crusade. The annual fund raising and education campaign will be launched Tuesday April 17, he said.

In a proclamation citing April as cancer control month, Mayor Willard Jones noted that one-third of the nine cancer deaths in Hamlin community last year could have been avoided by earlier diagnosis and adequate treatment.

Hamlin's mayor called for increasing recognition of the society's leadership in the fight against cancer through its programs of research, education and service.

Text of the proclamation follows:

Cancer is one of the most critical public health problems of our times. Some 250,000 Americans, many of them in our own state, will die of cancer in 1956 if present rates continue. Moreover, at present rates, one American in every four now living will some day be stricken by that disease.

But in the last decade there has been marked progress in the diagnosis and treatment of cancer. Although one cancer in four is now being cured, two out of four patients could be saved if they were treated early enough. This would mean saving 80,000 additional lives a year. Approximately that many such patients were saved last year.

The American Cancer Society plays the leading role in the national fight against cancer. Through its programs of public and professional education, the society spreads the life-saving message of early discovery and prompt treatment; and keeps the nation's doctors advised on techniques in detection, radiation and surgery.

By its support of more than 1,000 top flight scientists in a nationally coordinated program of research, the ACS gives urgency to the search for new cures for this menacing disease.

That organization is the only voluntary national health agency

## Jones County to Be Represented at 4-H District Competition

Jones County 4-H Club will be well represented at the District III elimination contests to be held Saturday at Wichita Falls, according to Bill Lehning, county agent and sponsor for the boys' clubs.

The boys will be represented by six teams, including:

Tractor operator—Tom Martin of the Anson Junior Leaders Club; crop judging—Jimmy Roberts and A. H. Roberts of the same club; entomology—Delbert Wilson, Gerald Lain and John Mitchell of the same club; livestock judging—James Allred, Kenneth Vancil, Roy Justice and Lloyd Warren of the Noddle club; share-the-fun—Pete Sylvester and Danny Edwards of Avoca; and soil conservation demonstration — Ronnie Sosebee and Rowland Foster of Anson Junior 4-H Club.

Winners of the district event will participate in the state contests to be held during the state 4-H Roundup in June at Texas A. & M. College.

## Palestine Picture To Be Presented at Baptist Church

Rev. Walter J. Field, lecturer, English educator and missionary from the Holy Land, will present his timely lecture and sound motion pictures on "Life in War-Torn Palestine," at the First Baptist Church Wednesday evening, April 18, beginning at 8:00 o'clock, it was announced this week by the pastor, Rev. Houston Walker.

The speaker has recently returned from the Holy Land, and is now on a lecture tour. He is a native of the British Isles and has spent more than 14 years in Palestine and Middle Eastern countries.

In the picture and lecture here, Rev. Field will show and discuss the explosive problem of Palestine and speak of his experiences while living and working with both the Jews and the Arabs. During the war Field served with the British Middle East Army, after which he returned to the Holy Land to resume his work. From these first-hand experiences he is a well qualified and unbiased speaker on the Jewish-Arab struggle for the land of Palestine.

The film, "The Holy Land Passing Parade," which Field will show, is a complete and original sound film on Palestine. Contrasting the life of the modern Jew in the state of Israel and the life of the native Palestinian as he carries on the customs and traditions common in Bible days, it features a coverage of the entire country from Dan to Beersheba.

Rev. Field will show pictures, in sound and color, of the work of the mission which he represents.

For pennies a day, electricity lights your home, cooks your food, washes your dishes, and serves you in dozens of other ways. It's the biggest bargain in your family budget!

And it's even bigger than it looks.

Out of every \$4.00 you pay on your electric service bill, about \$1.00 goes for local, state and Federal taxes. Yet, in spite of this, you are getting about twice as much electricity for every dollar as you did 25 years ago.

## Rotan Club Official Speaks at Guest Day Tea Given Friday by Literary Club

Numbers of guests were present from in and outside Hamlin when members of the Woman's Literary Club were hosts at a guest day tea Friday afternoon at the First Methodist Church.

The tea table was centered with an arrangement of flowers on a cut work cloth with appointments in silver and crystal.

## Quita Joy Ivy to Wed In Odessa Ceremony

Engagement of Quita Joy Ivy of Odessa granddaughter of Mrs. Ina L. Parker of Hamlin, to Airman First Class William C. Armstrong, was announced Saturday by Mrs. William T. Ivy of Odessa at a tea honoring the bride-elect.

The couple has tentatively set as a wedding date June 16. Vows will take place in the Odessa First Methodist Church sanctuary.

Miss Ivy, who is a graduate of Odessa High School and Draughon's Business College at Lubbock, has been a visitor to Hamlin many times. Her parents formerly lived here.

\*If you're miserable from the "hot flashes," and are suffering from irritable, restless feelings of "change of life"—you may be suffering unnecessarily!

For... in tests by doctors... Lydia E. Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 53% and 80% (respectively) of the women tested! Complete or striking relief!

Yes... Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing nervous, "out of sorts" feelings of mid-life "change"!

So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves"!

## Beef and Pork Head Plentiful Foods List For Month of April

Hamlin area housewives are reminded that beef and pork top the U. S. Department of Agriculture's plentiful foods list for April.

These two meats got the top rating because supplies are so heavy and prices so favorable to consumers, according to a release from College Station to The Herald.

Fruits on the April list include canned and frozen cherries, grape-

## Jones County 4-H Club Girls Will Compete At District Contests

Seven Jones County 4-H Club girls will enter the District III 4-H elimination contests at Midwestern University in Wichita Falls Saturday, it is announced by Jimmie Lou Wainscott, county home demonstration agent and sponsor of the girls.

These girls will represent Jones County as follows:

Dairy foods team—Nancy Hunter and Karen Irvin of Nodale 4-H Club with their demonstration on "What's Milk to You?" They will make chocolate mint tower.

Safety Team—Dee Anne Goodrich and Peggy Cox of Anson Junior Leaders Club will enter this contest with their demonstration on "Streamlining the Medicine Cabinet."

Electric Demonstration—Patsy Wade and Rita Herring of Anson 4-H Club will give their demonstration, "Cleaning and Oiling an Electric Sewing Machine."

Public Speaking—Beth Adkins of the Anson Junior Leaders Club will enter the contest with her speech on "What 4-H Club Means to Me."

Four-H Club members from 22 counties will enter these contests. District winners will enter the state contests at College Station at the 4-H Round-Up in June.

fruit, canned kradota figs and dates.

Onions made the list for the first time this spring. Potatoes and dry beans are also listed.

Supplies of milk and other dairy products continue to increase with the advent of the spring season.

Broilers, fryers, rice, lard and peanut butter round out the plentiful foods list for April.

## Panel Discussion Features Tuesday Dinner Meeting of Hamlin B&PW Club

"The Improvement and Upgrading of the Life of the Business Woman" was the subject of the panel discussion directed by Mrs. Poe. Those who participated in the panel were Mrs. Earl Wilson, Mrs. Hulse, Mrs. R. D. Moore, Mrs. Alta Haught, Mrs. Hunter and Buna Rountree.

Tables were decorated with miniature parasols in pastel colors and spring flowers. Those on the committee were Maggie Seymour, Mrs. Zelma Hulse, Mrs. Austin Poe and Mrs. Joe McCrary.

Mrs. Vera Nobles, president, called on Mrs. W. L. Hunter to render the invocation.

Mrs. McCrary was assisted by some of her students for the musical program. Gary Ted Jay played two piano selections. Jimmy Shivers, Patsy Kelly and Mrs. McCrary played three accordion trios.

Drive Chairman J. W. McCrary this week urged Hamlin community people to give their generous support to the 1956 American Cancer Society Crusade. The annual fund raising and education campaign will be launched Tuesday, April 17, he said.

In a proclamation citing April as cancer control month, Mayor Willard Jones noted that one-third of the nine cancer deaths in Hamlin community last year could have been avoided by earlier diagnosis and adequate treatment.

Jones' mayor called for increasing recognition of the society's leadership in the fight against cancer through its programs of research, education and service.

Text of the proclamation follows:

Cancer is one of the most critical public health problems of our times. Some 250,000 Americans, many of them in our own state, will die of cancer in 1956 if present rates continue. Moreover, at present rates, one American in every four now living will some day be stricken by that disease.

But in the last decade there has been marked progress in the diagnosis and treatment of cancer. Although one cancer in four is now being cured, two out of four patients could be saved if they were treated early enough. This would mean saving 80,000 additional lives a year. Approximately that many such patients were saved last year.

The American Cancer Society plays the leading role in the national fight against cancer. Through its programs of public and professional education, the society spreads the life-saving message of early discovery and prompt treatment; and keeps the nation's doctors advised on techniques in detection, radiation and surgery.

By its support of more than 1,000 top flight scientists in a nationally coordinated program of research, the ACS gives urgency to the search for new cures for this menacing disease.

That organization is the only voluntary national health agency

Rev. Walter J. Field, lecturer, English educator and missionary from the Holy Land, will present his timely lecture and sound motion pictures on "Life in War-Torn Palestine," at the First Baptist Church Wednesday evening, April 18, beginning at 8:00 o'clock. It was announced this week by the pastor, Rev. Houston Walker.

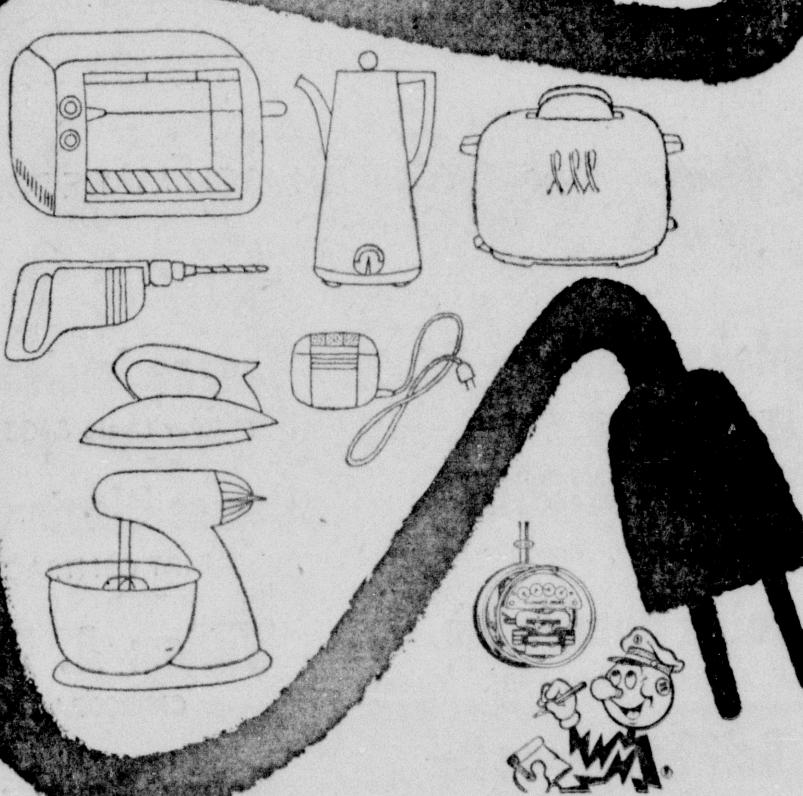

The speaker has recently returned from the Holy Land, and is now on a lecture tour. He is a native of the British Isles and has spent more than 14 years in Palestine and Middle Eastern countries.

In the picture and lecture here, Rev. Field will show and discuss the explosive problem of Palestine and speak of his experiences while living and working with both the Jews and the Arabs. During the war Field served with the British Middle East Army, after which he returned to the Holy Land to resume his work. From these first-hand experiences he is a well qualified and unbiased speaker on the Jewish-Arab struggle for the land of Palestine.

The film, "The Holy Land Passing Parade," which Field will show, is a complete and original sound film on Palestine. Contrasting the life of the modern Jew in the state of Israel and the life of the native Palestinian as he carries on the customs and traditions common in Bible days, it features a coverage of the entire country from Dan to Beer-sheba.

Rev. Field will show pictures, in sound and color, of the work of the mission which he represents.

### Jones County to Be Represented at 4-H District Competition

Jones County 4-H Club will be well represented at the District III elimination contests to be held Saturday at Wichita Falls, according to Bill Leisberg, county agent and sponsor for the boys' clubs.

The boys will be represented by six teams, including:

Tractor operator—Tom Martin of the Anson Junior Leaders Club;ero judging—Jimmy Roberts and A. H. Roberts of the same club; entomology—Delbert Wilson, Gerald Lain and John Mitchell of the same club; livestock judging—James Allred, Kenneth Vancil, Roy Justice and Lloyd Warren of the Nodale club; share-the-fun—Pete Sylvester and Danny Edwards of Avoca; soil conservation demonstration — Ronnie Sosebee and Rowland Foster of Anson Junior 4-H Club.

Winners of the district event will participate in the state contests to be held during the state 4-H Roundup in June at Texas A. & M. College.

### First Methodists to Start Stewardship Campaign Sunday

First Methodist Church's second annual stewardship educational program will be officially launched Sunday morning, according to Rev. Darris L. Egger, pastor.

Carl T. Murrell is general chairman. Assisting him on the steering committee are Wesley Nail, chairman of education; John C. Bryant, chairman of program; Austin Poe, chairman of visitation; Darris L. Egger, chairman of publicity; and Mrs. A. B. Rowland Sr., chairman of prospects.

The seven-week program is virtually an educational program, educating the membership to the needs and responsibilities, and them seeking a pledge from each family toward the financial support of the church's budget for the coming year, Egger explains.

The church year begins June 1. Beginning Sunday morning will be an intensive three-week educational program acquainting the

### Hamlin One-Act Play To Be Seen Thursday

"The Sheriff," district winner in the one-act play contest, begins its final rehearsals before the regional contests this week, declares Director Doyle B. Smith.

First public showing of the play is scheduled next Thursday evening at the high school auditorium. An admission will be charged. Members of the cast are Dee Prewitt, Joe Stephens, Judy Harden, Billy Lafler and John Walker.

Also to be presented at the performance of the one-act play will be the district winners from Hamlin in the speaking events.

membership with needs and responsibilities, through posters, lay speakers in the Sunday School classes and morning worship services, and a stewardship sermon by letter.

Following the educational portion, the visitation will conclude the program. Austin Poe is in charge of the visitation, assisted by two division leaders, L. H. McBride and A. B. Carlton.

Church officials are gratified by the results and response of the stewardship educational program carried on last year, Egger declares. For the first nine months financial gains in church collections had increased about 25 per cent over the same period a year ago. Officials are expecting a generous reception by the entire membership to this program. By the time the visitation period is ended the church budget of almost \$19,000 is expected to be pledged in full, the pastor says.

### POLIO SHOTS

(concluded from page one) started in May, it is pointed out. Services of doctors from the Hamlin Memorial Hospital, the Hamlin school nurse and others will be given free in this campaign as before, Inzer stated.

The third and final shot in the polio immunization must be administered at the hospital seven months after the second inoculation, for which the usual charge must be made, Inzer said.

### Baptists of County to Meet at Bethel Church

Representatives from the 29 Baptist churches of Jones County are due to assemble next Tuesday evening with the Bethel Baptist Church, five miles east of Anson, for the monthly workers' conference of the Jones County Baptist Association.

Meeting at 5:00 o'clock for business sessions, the attendants will be served supper at 6:00 by the host church. Theme of the program will be "Evangelism," and Sunday School clinics will be featured in program sections.

It's nice for children to have pets—until the pets start having children.

### Bo Newland Presented Safe Driving Award

Bo Newland, Lone Star Gas Company distribution department employee at Hamlin, has driven an automobile in line of company duty four years without an accident, according to District Manager H. D. Smith. Newland, a skilled driver, received a certificate of merit for the record at a safety meeting in Stamford Tuesday night, Smith said.

Lone Star employees from Haskell, Anson, Stamford and Rotan also were recognized for safe driving records ranging from one through 12 years. Presentation was made by Glynn Covington of Ranger, Lone Star safety engineer. He said an employee must drive a vehicle at least 5,000 miles in a year to qualify for an award.

### Houston Walkers Lead In Clinics in District

Rev. and Mrs. Houston Walker have begun conducting a series of vacation Bible school clinics in Baptist churches of District 17, for which Rev. Walker is district leader.

Last Tuesday they were at Trent Baptist Church; Tuesday of this

they were at Eastland. They will be at the following churches: April 16, Cross Plains; April 19, Haskell; April 30, Peacock; May 3, Hamlin; May 4, Roby.

A word is not a crystal—cold, transparent and immovable—but the skin of a living thought that may vary in its warmth, color and content, depending upon the time and occasion of its use.

### When it comes to Protection...it pays to have the BEST

A sudden vicious attack holds no terrors for this resourceful postman. But he'd be whistling a different tune if he'd left his stout protectors home.

Dependable insurance is like that, too. It's one thing you can't buy when you need it most. After an accident or loss has occurred, it's too late to get better insurance if the policy you have proves unsatisfactory.

So don't gamble with "cheap" insurance. Buy only the BEST—and buy it today.

## Tracksters Go to Brady For Final Meet of Year

Final participation of the Hamlin High School track and field men in an area meet will come this week-end when the Pipers go to the Brady Relays.

About eight boys will make the trip to Brady, where competition is expected to be plenty keen by teams from the Central West Texas region.

Our grand business is, not to see what lies dimly at a distance, but to do what lies closely at hand.—Thomas Carlyle.

## Pipers Take First Tilt Baseball from Anson

Hamlin High School baseball team won its first matched game Tuesday afternoon from the Anson Tigers by a 3 to 2 score in a tilt played on the local diamond.

Pitching for the Pied Pipers were Don Adair, Mac Reid and James Corder.

A regular schedule of games for teams of the district is being worked out by school officials.

A very small honor can puff up a very small individual.

## Hamlin Takes Fourth Place in District League Track Meet

### Colorado City Barely Noses Out Stamford Crew

Colorado City won the district track championship by virtue of eight first places and a tie for another first place as teams of the District 4-AA area met Saturday at McMurry College track. Stamford had two first places and a tie for another one to place second with 52 points, only one point behind the Wolves. Anson was third with 22 points, nosing out Hamlin by one point. Hamlin won two first places and Anson one.

Results of the meet were not decided until the last event. Going into the mile relay in which Stamford was the favorite, Stamford had 49 points and Colorado City had 48. Colorado upset Stamford in this event to get five points to Stamford's three.

Hamlin boys placing in the meet were as follows:

Doug Ford won 180-yard low hurdles with record breaking time of 19.8 seconds. He also placed fourth in the 100-yard dash.

Ken Hewett won 880-yard dash with record breaking time of 2:05.5 minutes.

Charles Jenkins placed second in the discus throw with a pitch of 121 feet 11½ inches.

Hamlin's mile relay team, composed of Wesley Minton, James Crowley, Ken Hewett and Doug Ford placed third.

Charles Jenkins, Virgil Wilson, James Crowley and Dee Prewit, making up the spring relay team, placed fourth.

Virgil Wilson placed fourth in the 120-yard high hurdles and fourth in the 880-yard dash.

Wesley Minton placed fourth in the 440-yard dash and fourth in the 220-yard dash.

A little more patience, a little more charity for all, a little more devotion, a little more love . . . and the race will be ripe for a great burst of light and life.—Elbert Hubbard.

### Holly Toler Jr. to Be Hamlin Golf Entry at Regional Competition

Golf championship for team placings in the District 4-AA high schools did not have to be played off as there were only two teams in the district, Stamford and Colorado City. Both teams will go to the regional meet, officials of the district announced.

Mandalist championship was played on the Hamlin Lakeview Golf Club course Friday afternoon. Holly Toler defeated Jim Watson of Rotan, one-up, in an 18-hole match. Jim Watson of Rotan, Holly Toler of Hamlin and Joe Cowan of Hamlin were the only contestants. Only two medalists can go to the region.

Scores were:  
Watson of Rotan.....43 41-84  
Toler of Hamlin.....43 40-83  
Cowan of Hamlin.....56

Cowan withdrew after nine holes.

Toler is a senior, and has at the first nine holes.

takes look at though he might have a chance to go to Austin to compete for the state golf championship. He will have to shoot near par golf to get past regional as there are many good young golfers in this area.

Cowan is a junior, and has played some good golf this year, but his chance of winning Friday was ruined with 11 penalty strokes on

### Netters of Hamlin Take Six of Eight Honors at District

Virtually sweeping the entire District 4-AA league tennis meet last week-end at Abilene, the Hamlin High School netters took six of the eight championships.

Abilene coaches watching the matches expressed amazement at the smoothness of the Hamlin boys.

Ted Wright chalked up the first championship, the senior singles. After defeating the Anson entry 6-1 and 6-1, he met the tough Colorado City boy in the finals.

After a few anxious moments, Ted began pulling away from the Colorado City lad and took the match by a 6-1 and 6-4 count.

Winning the senior doubles division were the hustling team of Perry Davis and Don Hicks.

Charles Green, outstanding freshman and alternate on senior doubles team, flashed through the finals in junior singles to take that event.

Hamlin took the junior doubles event without competition.

In the girls' division, Libby Johnson and Carolyn Barnett played pressure tennis all the way to win the girls' doubles championship. They defeated Anson 6-2 and 6-3, and trimmed Colorado City 6-4 and 9-7.

## Albany Wins Junior High School Meet Saturday at Anson as Hamlin Trails

Albany Junior High School athletes walked away with the junior high school conference meet held Saturday at Anson, scoring 43½ points. Tokyo Moreno of Albany racked up 19½ of the total points.

Second in the standing was Anson with 35 5-6. Following were Merkel with 33½, Rotan with 29, and Hamlin with 8½ points.

Results of the various events follow:

50-Yard Dash—Britain of Rotan, first; Moreno of Merkel, second; Caleb of Anson, tied for fifth.

Broad Jump—Moreno of Merkel, first; Barth of Anson, second; Ybarra of Merkel, third; McCaleb of Anson, fourth; Muselman of Albany, fifth. Distance, 17 feet 7½ inches.

Discus—Muselman of Albany, first; Stapp of Albany, second; Zenker of Albany, third; Hardy of Rotan, fourth; Reid of Merkel, fifth.

Shot Put—Moreno of Merkel, first; Zenker of Albany, second; Stapp of Albany, third; Fletcher of Anson, fourth; Reid of Merkel, fifth. Distance 41 feet 8½ inches.

Its power packin' punch put it No. 1 in V8 sales

And now Ford's new 225-h.p. engine gives you even hotter performance!

Today's biggest trend in automobiles is to the V-8 engine. That's because today's car buyer demands performance. And latest sales figures show that the Ford V-8 with its power-packin' punch is the largest-selling eight in the world! Official figures for 1955 show that 346,373 more people bought Ford V-8's than bought the two other low-priced eights combined!

But now Ford is setting an even hotter V-8 pace by making available the biggest engine ever offered in the low-price field. It's the Thunderbird Special V-8—and you can order it now in Fairlane and Station Wagon models. This engine has a displacement of 312 cubic inches and delivers 225 horsepower. It whisks you from "whoa" to GO as you've never gone before!

And Ford gives you that wonderfully long, low look of the Thunderbird in all of its '56 models. You get new Lifeguard Design, also, to help protect you in case of accident. Test Drive this great new '56 Ford . . . today!

## Officers Nominated By Hamlin Lions Club for New Year

### Dr. Perrin Speaks at P-TA Meet Thursday

A good sized crowd was present when the Hamlin Elementary Parent-Teacher Association met in regular session Thursday afternoon, with Mrs. Starr Inzer, president, presiding.

Entertainment was furnished by the seventh grade girls' choral club, under direction of Carolyn McCleeny. Invocation was given by Rev. Darris L. Egger, pastor of the First Methodist Church.

Mrs. Everett Gibson gave the thought for the day, in which she stressed the need to "relax and smile."

After a short business session, Dr. E. D. Perrin gave an inspiring talk. He used for his subject "The Family: Builds Sound Bodies and Develops Wholesome Personalities."

Cases of cancer could be cured by early treatment.

Guests at the Tuesday luncheon included Joe Breed of Anson and Tom Boyd of Stamford.

### Farm Real Estate Values in Section Stay at Good Level

Farm and ranch land values in the Hamlin section continue to remain at a good level, a check of real estate dealers reveals.

Farm real estate values in the state of Texas as a whole dropped slightly during the latter part of 1955, according to a report just issued to The Herald by the U. S. Department of Agriculture.

During the four-month period from July 1 to November 1, farm real estate values increased from two to four per cent in 31 states and remained essentially unchanged in 16 states. In Texas the decrease was one per cent.

Compared with a year earlier, farm real estate values in the states were up three per cent as of November 1. This compares with a nation-wide rise of five per cent during the same period.

Values last November averaged higher than a year earlier in all but two states, Nevada and Utah.

Continued business prosperity and strong demand by farmers for additional land to enlarge their farms have helped to offset expected effects on land values of lower prices for farm commodities, according to the USDA report.

### Mary Sue Warnell and Clarice Brown Named Winners for Posture

Clarice Brown and Mary Sue Warnell, Hamlin High School seniors, were named winners of the correct posture contest in the local school last week, it has been announced by Dr. William Patillo, Hamlin chiropractor, who directed the local phase of the event.

Names of the two girls, their pictures and spinal x-rays will be sent to State Chairman E. V. Mullenberg at El Paso. State winner will compete for the national award at the national convention in St. Louis, Missouri, on June 1.

### Livestock Auctions Play Vital Role in Sales, Rotary Told

Livestock auction sales are playing a vital role in the marketing of livestock today, declared Cecil Sellers, Hamlin stock farmer and auctioneer, when he spoke at the Wednesday noon luncheon of the Hamlin Rotary Club at the oil mill guest house.

Sellers, who is the starting bidder for the San Angelo Livestock Auction Sales, outlined the functions of the 154 auction sites that are operating in Texas. Small batches of livestock, he pointed out, are handled at the auctions for the small producer, each animal in most instances being given recognition for quality.

Buyers at the auctions generally transport the stock to one of the three major terminals in Texas, located at Fort Worth, San Antonio and Houston, where packers eventually purchase them, Sellers declared.

He stated that annual per capita consumption of beef in the United States is 73 pounds compared with 245 pounds per capita in Argentina.

Besides Sellers, other guests at the Wednesday luncheon included Dr. William Patillo, Charlie Sellers and Melvin Hames, Junior Rotarian for the day, all of Hamlin; Marshall Moore of Abilene; George Cowan, Ralph E. Wallace and George K. Beard of Sweetwater.

### Presentation Made To Anson Man of Plymouth Award

Presentation was made last week-end of the second place place award in the Plymouth Motor Company's lucky motor number sweepstakes, which was won by Grady Flynt of Anson. Announcement of the award had been made last mid-week through The Herald.

The award was \$5,000 in cash and an around-the-world trip for two.

Formal presentation of the award was made by Dave Prewit of Stamford of Prewit Motor Company, Chrysler-Plymouth dealers for Stamford and Hamlin. Flynt had registered with the Stamford concern about a month ago.

Flynt had received no details on the around-the-world trip last week other than it would be an all-expense trip for two persons. He indicated that he and Mrs. Flynt would plan to take the trip, but he did not know when.

He operates an insurance agency in Anson, and Mrs. Flynt is employed at the Anson General Hospital.

They have three children, two girls and a boy. The girls are Joy, who is a senior in Hardin-Simmons University; Jill, an Anson High School student; and the boy, Jack, is also in Anson schools.

More than 2,500,000 persons in the nation entered the contest sponsored by the Plymouth division of Chrysler Corporation, which ran from January 17 through March 10. All told, the "sweepstakes" offered prizes totaling \$150,000. During the contest period all owners of 1050-56 automobiles who purchased their cars prior to January 17, 1956, were eligible to enter. Sweepstakes entrants registered their car's motor number at their local Plymouth showroom and showed proof of ownership.

Buyers at the auctions generally transport the stock to one of the three major terminals in Texas, located at Fort Worth, San Antonio and Houston, where packers eventually purchase them, Sellers declared.

## WHAT DO YOU MEAN, "JUST FACE LIFTING"?

**E**VERY NOW AND THEN, we run across someone who seems to think that 1956 cars do not offer anything really new—just a little face lifting from the year before.

We won't try to speak for the automobile industry. But we certainly can speak for Buick.

And let us announce in no uncertain terms—it's the newest thing on wheels.

#### The Styling is New

Sure, it looks like a Buick. But it has a new V-proved grille that says 1956 and no mistake. The hood's new—the fender ports are new—the sweepstakes are new—and it all adds up to a new sweep-ahead look that ends in a sassy new slant to the rear contours.

But that, friends, is only the beginning.

#### The 1956 Dynaflow\* is New

It introduces what the engineers call "double regeneration"—which means a double-action take-off. It gives you new,

split-second response in the first inch of pedal travel—plus the "switch the pitch" at full acceleration, which no one else has yet approached.

#### The Ride is New

To coil springs on all four wheels, a brawny X-braced frame, and torque-tube drive, the engineers have added deep-oil shock absorbers to give new softness, new buoyancy, new comfort, and a brand-new "sense of direction" handling response.

#### The Power is New

All 1956 Buicks have new 322-cubic-inch V8's—with record highs in power and compression—with unique new double "Y" manifolding to step up efficiency—with new carburetor "deicing"

—and a host of other new features to make owning a Buick pure pleasure.

#### The Thrill is New

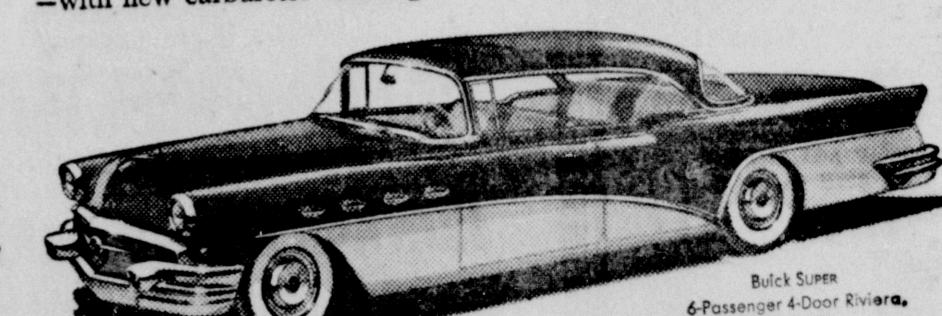

And the surest way for you to find out how right we are, is to sample a 1956 Buick yourself.

As we said before, this is the best Buick yet—by a wide measure—and when you learn the prices we're quoting, you'll know why this Buick is one of the three best sellers in today's market.

It takes a lot more than face lifting to produce such a winner as this.

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**MC CAULLEY COMMUNITY NEWS**

Mrs. C. Beth Ballard, Correspondent

McCauley Future Farmers of America chapter met in their classroom in a called business session Wednesday with their sponsor, Bill Robinson. After a brief meeting, the boys decided on their end-of-the-session recreational trips. On the first trip April 20 they will attend the district FFA banquet at Rochester. At an earlier meeting Joy Lawlis was elected sweetheart of the group.

McCauley's FFA unit includes: Don Alexander, president; Julius Decker, vice president; Sammy Holcomb, treasurer; David Hennington, secretary; Harvey Lawlis, sentinel; and Neal Woods reporter. Other members are Buddy Williams, Billy Henderson, Charles Rector, David Milner, Larry Warner, Larry Potts, Carl Smart, Jimmy Kelly, Bert Ed Esmeringer, Smitty Maberry, Jerry McCright, Jerry Jeffrey, Gerald Davis, Robert Joplin, Troy Watson and Donny Potts.

Visiting Mrs. J. T. Rhoton last week-end were Mr. and Mrs. Bob Meeks of Hamlin and grandson, Randy Parker of Vernon, Mr. and Mrs. Marvin Rhoton of Hamlin and Earl Rhoton and family of Roby.

Sunday evening visitor of Mrs. Rhoton and Mrs. Ballard was Edwin William Longworth, a Bible student at Hardin-Simmons University at Abilene.

Mr. and Mrs. Robert Hicks and children of Snyder visited his parents and brother, Mr. and Mrs. E. M. Hicks and Tyrus.

The Hicks Grocery, formerly owned and operated by Mrs. Lewis Rector, and now under operation of Tyrus Hicks, has had a "face-lifting" lately. The new fixtures include a large deep freeze and a drug and cosmetic line.

Several singers from the McCaulley churches attended the Fisher County Singing Convention at the Sylvester Methodist Church Sunday.

Mr. and Mrs. George Decker of Sweetwater were week-end visitors of his parents, the M. H. Deckers.

Bob and Ronny Lawlis of Trent visited Tommy Hood over the week-end.

Members of Gleaners Sunday School Class of the Baptist Church met in a fellowship class meeting Tuesday in the home of Mrs. G. W. Joplin. Object of the session was to prepare for future lessons. Plans were made for distributing gifts for secret pals.

Sixth grade girls met April 2 for the purpose of organizing a Grade Girls' Literary Club. At an earlier meeting the girls had organized a Glee Club, which included the sixth grade sextet called the Melody Belles. At the recent meeting the girls decided to combine both music and literature, which would include the boys and

**Hamlin Bank Holds to Rank Despite Droughts**

Despite the continued drought in the Hamlin section, which naturally reduces deposits of farmers and ranchers, the Farmers & Merchants National Bank of Hamlin continues to maintain its rank among banks of the nation, a survey by The American Banker magazine reveals.

With deposits of \$4,761,975 on December 31, 1955, which was a slight gain over the previous year-end, the F. & M. ranks 4,492nd in the United States among more than 12,000 banks.

**THE PERFECT GIFT**

A man browsing in a pet shop was approached by an attractive young girl who asked if she could assist in his selection.

"Well," mused the prospective customer, "I have been thinking of getting a pet for a client of mine. He is a semi-invalid; can't get out of the house; man about 60; very wealthy; nice sort of chap. He has no relatives—so the idea of a pet came to me."

The girl considered and then brightened visibly, said, "I think I have just the thing!"

"Good!" said the man. "What kind of a pet do you suggest?"

Replied the bright young lady, "Me!"

**REMARKABLE RECOVERY**

"My boy," said the boss, "do you believe in life after death?"

"Yes, sir."

"Then that makes everything just fine," the boss went on tenderly. "About an hour after you left yesterday to bury your grandfather, he came in to see you."

Principles are usually read about—not lived.

Here  
are the facts  
to prove  
it...

Actually . . . no matter where you live . . . nobody . . . and that means NOBODY . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for GOODS, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve YOU when you sometimes direly need their knowledge and their skills.

ONLY when you buy in YOUR OWN HOME community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.
